

Consumer Warranty

The Gutter Company of Florida dba The Gutter Company warrants to the original purchaser of all aluminum gutters the following:

A (20) twenty-year manufactures warranty on painted aluminum products will be free of painting defects including cracking, peeling or chipping.

A (2) two-year workmanship warranty on any seamless aluminum gutter product installed by The Gutter Company will be free of defects and maintain proper function during the warranty period.

This warranty shall remain in effect only if the gutter system has not been subject to conditions beyond The Gutters Company's control such as accidental damage, extreme weather conditions, acts of nature, improper use of caustic chemicals and foundation settling.
