

Consumer Warranty

The Gutter Company of Florida, LLC d/b/a The Gutter Company warrants to the original purchaser of its aluminum gutter products and services as follows:

New Gutter Installations

- 20-year manufacturer's material warranty.
- 3-year workmanship/performance warranty.

Gutter Guard Installations

- Projects that include the installation of gutter guards receive an extended 5-year workmanship/performance warranty.

Repairs

- Repairs to existing gutter systems are covered by a 30-day workmanship warranty beginning on the date the repair is completed.
- This warranty applies only to the specific repair(s) performed by The Gutter Company of Florida, LLC and does not extend to the remainder of the existing gutter system, adjacent components, or any new leaks, failures, or issues that develop outside the repaired area.

Workmanship Warranty / Exclusions

- The workmanship warranty covers defects resulting solely from improper installation or workmanship. It does not cover damage or failure caused by:
 - Abuse or neglect
 - Lack of maintenance
 - Clogged gutters or downspouts
 - Alterations or modifications made by others
 - Structural settlement or movement
 - Hurricanes, high winds, hail, or other severe weather
 - Falling trees or limbs
 - Impact damage
 - Any other natural or accidental external force

- Black vertical streaks, commonly known as "Tiger Striping," are caused by environmental conditions, including the accumulation of dirt, pollen, debris, and moisture on the front edge of gutters. This is a naturally occurring cosmetic condition and is not covered under any warranty.

Disclaimer

- Warranty coverage becomes effective only after the contract has been paid in full.
